A VALORE Calf Shoe

It is a croned tanned black leather with
the soft, smooth finish of a fine kid, and
it is very dressy and makes a mirror tol-
ish and yet is one of the best possible
leathers for winter use. Loar & White,
the correct clothiers, have these shoes
in Blucher and the regular lace cut styles
on Shapely, stylish lasts, made by the
famous Stetson and E. E. Tilt shoe
makers. feb10-14.

A BIG SUCCESS.

Loar & White, the correct clothiers of
our city, have returned from their east-
ern trip to New York City and are
greatly pleased with their big success in
the purchasing of spring goods; that not-
withstanding the big rise in cotton mar-
ket for the past six months, and the in-
creased prices paid for labor, they have
not paid a single advance in all their
large buying of spring goods. This is
quite a big success and it enables them
to maintain their usual high standard
of quality in all their cotton fabrics, as
well as woolen goods. They are also
pleased with the fact that they will have
many special good things that will be
shown in season, with the correct an-
latest styles, the correct price and the
goods the people want. They are also
happy in the thought that goods well
bought are half sold. feb10-14

B. & O. RECORDS SAVED.

In reference to the burning of the Bal-
timore and Ohio Central Building in Bal-
timore, and the possibility of delay in

had been destroyed the information was
that all the records and other valuable
papers had been saved, and the office
force is at work in other quarters.
